### ABOUT ME

I'm a software engineering student driven by a passion for problem-solving and innovation. With a keen eye for detail and a love for coding, I'm dedicated to crafting solutions that make a difference. I thrive in collaborative environments and am constantly seeking new challenges to grow my skills.

### WORK EXPERIENCE

**03/2018 – 04/2018** Bahir Dar, Ethiopia

**Freelancer** Organization for Rehabilitation and Development in Amhara

- My responsibilities were filling out office documents and provide secretarial service.
- I had the privilege to converse with employees' of different age and background, which gave me the opportunity to experience the world of work and develop my communication skill.

**02/2018 – 11/2021** Bahir Dar, Ethiopia

**Chair Person of Science and Technology Cub** Bahir Dar Academy

- The club had the aim of improving students knowledge and skill in technology, particularly in IT (Information Technology).
- I was responsible in tutoring 10 students' on basic programming skills every week.
- Chairperson meetings were held every Friday led by the club founder and assistant teacher Information Technology.
